LONDON: HER MAJESTY'S STATIONERY OFFICE
1962

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service, but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the NAVY LIST.

By Command of Their Lordships,

C. G. JARRETT.

## NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,

(Editor of the NAVY LIST) London, S.W.1,

mentioning the page in question. Communications should be marked " On Her Majesty's Service ", and need not be stamped.

The rates of pay, regulations, etc., are contained in a separate publication, entitled " Appendix to the NAVY LIST ", which is published annually in June.

The names of Temporary Officers of the Royal Navy, Royal Marines, Royal Naval Reserve, Royal Naval Volunteer Reserve, and Royal Marine Forces Volunteer Reserve who have been granted permission to retain their rank, with the right of wearing uniform on State and other occasions of ceremony, are not included in the NAVY LIST.

Officers on the Retired List are required to report their private permanent addresses and any changes therein to the appropriate authorities, as laid down in the regulations for Officers on the Retired List (*see* Appendix to the NAVY LIST). If they are not drawing retired pay or pension, they should also report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Commandant General, Royal Marines (for Royal Marine Officers), in order to ensure that their names are retained in the NAVY LIST.

Officers on the Emergency List, Officers of the Special Reserve of Engineer Officers, and Special Reserve, Royal Marines must similarly report their addresses annually.

Retired and Honorary Officers of the Royal Naval Reserve are required to report periodically as laid down in the Royal Naval Reserve (Officers) Regulations.

Retired Officers of the Royal Naval Volunteer Reserve are required to report their addresses annually, on or shortly after the 1st January, to the Admiral Commanding Reserves and Inspector of Recruiting.

It is particularly requested that all Officers whose names are published in the Retired Section of the NAVY LIST and who are not drawing retired pay or pension should leave instructions that, in the event of their death, the fact is to be reported to the appropriate authority as indicated in the preceding paragraphs.

The removal of an Officer's name from the NAVY LIST in consequence of failure to report does not involve the termination of his commission or relieve him of the liability for service, if required when Retired, Emergency or Reserve Officers are called out in time of war or emergency.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the official records of the Admiralty.

The degrees shown after Officers' names in the NAVY LIST are not necessarily a complete list of those held but, generally speaking, are confined to those of an honorary nature conferred specially upon an Officer and those degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

**This edition of the Navy List is corrected to include those retirements promulgated on or before the 18th June, 1962 as becoming effective on or before the 31st July, 1962.**

THE GOVERNMENT ACCEPTS NO RESPONSIBILITY FOR ANY OF THE PRIVATE OR TRADE ADVERTISEMENTS INCLUDED IN THIS PUBLICATION

***NOTE: In the seniority lists acting and temporary Officers follow immediately after the permanent Officers of the same category.***
